

DH016A1W
1.6 CU. FT.

FIRST IN CLASS

The newly designed Danby Health counter-top compact refrigerator. Built with commercial grade components and loaded with powerful features, Danby Health combines innovative technology, energy efficiency and proven reliability demanded by Medical and Clinical facilities.

KEY FEATURES

- + Temperature Stability engineered to maintain a steady range 2 - 8 degrees centigrade
- + Internal forced-air fan ensures even cooling from top to bottom
- + External digital display makes it easy to monitor the internal refrigerator temperature
- + High/Low alarm sounds alert if temperature rises or falls out of the set range
- + Integrated temperature logger internally stores refrigerator readings for a simple and reliable solution to temperature monitoring
- + Built-in USB port for downloading stored temperature data
- + Keyed door lock adds another layer to material security
- + Flat door liner conforms to guidelines contributing to stable conditions for commercial products
- + Hospital grade "Green Dot" power cord
- + 1 full and 1 half width wire shelf promotes free air flow
- + Interior LED lighting
- + Healthy Handle effectively inhibits a broad spectrum of germs

ALSO AVAILABLE IN 3.2 CU. FT.

Danby Health 1.6 cu. ft. Compact Refrigerator

Model Number	DH016A1W
Capacity	1.6 cu. ft.
Cord Length	1.8 m / 70.87 in. / 5.91 ft.
Temperature Cooling Range (°F / °C)	35.6 - 46.4°F / 2-8°C
Defrost Location	Defrost Drain, Back
Interior Lights/Qty/Type/Color	Yes/9/LED/White
Full Shelves/Half Shelves	1/1
Thermostat/Display Color/Position	Electronic/Blue/Top
Cabinet Color	White
Work Top	White
Refrigerant Type	R600a
Sound Level	45db
Condenser Evaporator Configuration	Flush Back/In Wall
Defrost System Type	Cycle
Installation Type	Free Standing Only
Power Input @115V	115V
Net Weight Unit Only	18.5kg/40.68lbs
Gross Weight	20.5kg/45.13lbs

External Digital Thermostat Display

Innovative external controller features an integrated temperature readout which records every 10 minutes, stores 8,000pcs of information for about 55 days. A USB port allows the user to export all of the data.

PRODUCT SPECIFICATIONS

Overall Width	17 1/16 in. (450 mm)
Height With Max Leg Height	21 1/16 in. (545 mm)
Height With Min Leg Height	21 7/8 in. (530 mm)
Overall Depth	19 3/8 in. (492 mm)

By the year 2020, the U.S. Government will ban refrigerants R134a and R404a.
